Course Description

The Citrix Presentation Server 4.0 Fast Track provides hands-on technical training on the Citrix Access Suite 4.0 platform. This training program is designed to assist experienced Citrix clients with becoming current with the skills needed to properly design, implement, and support the Citrix Access Suite 4.0.

***Note** This course is not designed as a boot camp, however the course will be accelerated based on specific tracks. Students will be required to self-study in addition to the class in order to prepare for the associated Citrix exams.*

Audience

- ◆ IT professionals, such as server, network, and system administrators, familiar with Microsoft® Windows® environments
- ◆ Systems engineers, analysts, consultants and architects seeking knowledge on Presentation Server 4.0 are prime candidates for this course.
- ◆ Individuals who have intermediate Presentation Server administration skills and intermediate knowledge of Microsoft Windows 2003

Key Course Benefits

- ◆ Hands-on experience with implementing, managing, troubleshooting and supporting Presentation Server 4.0
- ◆ Key course to prepare candidates for the role of Server, Network and Help Desk Administrator for Presentation Server 4.0
- ◆ Candidates obtain fundamental knowledge that is critical to efficiently leveraging the Presentation Server 4.0
- ◆ Provides interactive presentations, discussion and practical application through hands-on labs and group activities
- ◆ (optional) Tracks assist in preparing candidates for exams surrounding CCA in Presentation Server 4.0, CCA in Password Manager, CCA in Access Gateway and/or a CCEA in Presentation Server 4.0; depending on Chosen Tracks

Prerequisites

- ◆ Student must have passed an Administration exam on MetaFrame Presentation Server XP (exams, 220,221,222,) 3.0 (exam223) or 4.0 (exam 256)
- ◆ Or
- ◆ Student must have at least one year of hands on experience working with either MetaFrame Presentation Server XP or 3.0

Availability:

The program will be scheduled all major cities in the North America region. This program will be delivered at selected Citrix Authorized Learning Center (CALC) by a Citrix Certified Instructor (CCI). Check www.citrix.com/edu for cities, dates and selected Authorized Learning Centers. Hours are from 8:30 – 5:30

Course Schedule depending on chosen Track: (Phase 1)

Day 1 – Monday
Citrix Presentation Server 4.0: Administration Skills Update from MetaFrame XP Presentation Server to Presentation Server 4.0
Day 2 – Tuesday
Citrix Presentation Server 4.0: Administration Skills Update from MetaFrame XP Presentation Server to Presentation Server 4.0
Day 3 – Wednesday
CTX-1306AI Citrix Access Gateway 4.2 with Fast Access Control: Administration
Day 4 – Thursday
CTX-1306AI Citrix Access Gateway 4.2 with Fast Access Control: Administration
Day 5 – Friday
CTX-1326AI Citrix Password Manager 4.0: Administration

Phase II

Monday - Friday
CTX-1258AI Citrix Presentation Server 4.0: Support; CTX1456AI Citrix Presentation Server: Build/Test
